Maintenance strategies – Maintenance services - PHM
Event detection, diagnostics, prognostics, & decision support
Condition monitoring & Sensors – Reliability & statistical approaches in maintenance – e-Maintenance & emerging technologies – Asset & maintenance management – Lifecycle management & sustainability - Maintenance within production

IFAC A-MEST'16 workshop
Radisson Blu Hotel, Biarritz, France

Organization Committee

Chair Pr. François Pérès, ENIT-INP Toulouse
Co-chair Pr. Benoit Iung, Université de Lorraine,

International Program Committee

Chair Pr. Marco Macchi, Politecnico di Milano
Co-chair Dr. Christos Emmanouilidis, ATHENA RC

The IFAC A-MEST'16 workshop will be organized in Biarritz, France. The conference location is the Radisson Blu Hotel. For further details on touristic information please visit our website..

The workshop program includes scientific and technical sessions as well as tutorials and industrial visits.

Important dates

January 23, 2016: Deadline for invited session proposals
February 15, 2016: Regular & invited session draft papers due
April 15, 2016: Author notification
June 15, 2016: Registration opening & final papers submission
July 15, 2016: Deadline for the early-bird registrations
October 19-21, 2016: AMEST'16 Workshop

<http://www.ifac-amest16.com>

SPECIAL ISSUES

Several journals have agreed to consider publishing extended A-MEST'16 papers in special issues on specific topics of interest. More information will appear on the workshop web site.

AMEST'16

3rd IFAC AMEST Workshop

FIRST ANNOUNCEMENT AND CALL FOR PAPERS
« Maintenance Technologies for Performance Enhancement »

October 19-21, 2016
Biarritz, France

PAPER SUBMISSION

The working language of IFAC A-MEST'16 is English. The material submitted must be original, not published or being considered elsewhere. The papers are limited to 6 pages formatted in the standard two-column IFAC proceedings format.

Invited session proposals should be addressed to the Organising and ISC committee chairs. All articles, including papers solicited for invited sessions, undergo the same rigorous reviewing process by anonymous and independent reviewers. Paper submission is done via Papercept at:

<https://ifac.papercept.net/conferences/scripts/start.pl>

For further details please visit <http://www.ifac-amest16.com> or email contact@ifac-amest16.com.

PAPER PUBLICATION

All papers accepted for presentation will appear in the Preprints of the meeting and will be distributed to the participants. Papers duly presented at the workshop will be compiled in the IFAC Proceedings that will be hosted on-line on the www.IFAC-PapersOnLine.net website. The presented papers will be further screened for possible publication in the IFAC Journals (Automatica, Control Engineering Practice, Annual Reviews in Control, Journal of Process Control, Engineering Applications of Artificial Intelligence, and Mechatronics), or in other relevant scientific journals (Production and Planning Control, Computers in Industry, International Journal of Production Research, Reliability Engineering and System Safety) All papers presented by registered authors will be recorded as an IFAC Publication.

IFAC COPYRIGHT POLICY

Copyright of material presented at an IFAC meeting is held by IFAC. Authors will be required to transfer copyrights electronically and/or in hard copy.

The IFAC journals and, after these, the IFAC affiliated journals have priority access to all contributions presented. However, if the author is not contacted by an editor of these journals, within three months after the meeting, he/she is free to submit an expanded version of the presented material for journal publication elsewhere. In this case, the paper must carry a reference to the IFAC meeting where it was originally presented and, if the paper has appeared on the website www.IFAC-PapersOnLine.net, a reference to this publication.

INTENDED PROGRAM

The workshop program will include the following activities:

- Opening speeches from Industry & Academia
- Scientific and technical sessions;
- Special sessions dedicated to PhD researchers;
- Tutorial/workshop sessions

The workshop will start with industrial visits to showcase advanced maintenance practices in aeronautics as well as food-industry.

CONFERENCE FEES

Each registration (regular or student) can allow up to two accepted paper to be included in the conference proceedings.

	Early registration fee	Late registration fee
Regular	450 EUR	500EUR
Student	300 EUR	350 EUR

The IFAC AMEST Workshop will be preceded by the IFIP PALM Doctoral Workshop, which will be held in Urrugne (20km from Biarritz) on 17th and 18th of October 2016. PhD researchers or supervisors planning to attend this event will be entitled to a reduction of the normal fees mentioned above.
