DETERIORATION DEPENDABILITY DIAGNOSTICS 2015

6 – 7 October 2015 BRNO

Dear Friends!

The scientific conference DETERIORATION, DEPENDABILITY, DIAGNOSTICS 2015 is tied up with the previous traditional events in the area of quality, reliability and diagnostics. Its objective is to discuss a broad spectrum of issues from theory in the mentioned areas and their application in the mechanical engineering, transport, electrical engineering, civil engineering and military science as well as to enable exchange of information and experience between the industry, transport, services, research, academies and the Army of the Czech Republic personnel, and to arrange personal contacts between those involved in quality, reliability, diagnostics, and related areas. The scientific conference DETERIORATION, DEPENDABILITY, DIAGNOSTICS 2015 will be held under the auspices of the Dean of the Faculty of Military Technologies.
